STUDENT NOTES:

1. Students will be shooting their personal rifle, partnered up in teams of two. Individual items needed for the range: Rifle, **50+ rounds of ammunition**, note taking material, shooting support, hearing protection, water. Recommended items are spotting scope/tripod, binos, range finder, backpack, and any other items that will aid in zeroing their rifle. Personal items such as sunscreen, chapstick, hat, eye protection and chairs are recommended.

INSTRUCTOR NOTES:

1. Instructor will ensure all necessary gear and equipment are on site: safety radios, chronograph, optic leveling kit, torque wrench, medical kit and range maintenance bags. Extra gear as necessary.
2. Instructor will provide hearing and eye protection as needed.
3. Instructor will provide rifle chamber flags as needed.
4. Instructor will provide steel/paper targets and paint.
5. Note: Ensure dedicated safety vehicle is at least 3/4 full of fuel.
6. Note: Range is located in Seeley Lake, MT. <http://www.mtwsc.org/>
